US EMAIL LIST

Keono has over 100,000,000 unique US consumer records available for your marketing needs.

As you know, consumers' buying habits are significantly influenced by their age, income, marital status, education, etc. Knowing these attributes, make our consumers great prospects for a variety of offers. The Keono file is updated on a daily basis, ensuring that only the freshest leads are mailed.

Additionally, Keono's commitment to inbox delivery means we are getting your offer to the audience you want, as effectively as possible.

Please call or email for counts and detailed pricing of your US email data file.
