WOMEN EMAIL LIST

Keono has segmented its list so that you can now target your offer to only women. We have over 50,000,000 women for your digital marketing needs. Women's buying habits are significantly influenced by their social, family and marital status, making them great prospects for a variety of offers, including but not limited to; beauty, insurance, retail, telecom, CPG, education, travel, home products and services, children's products and continuity clubs.

Not only does the Keono file allow you to target women, we also have household income and marital status as a select, allowing for your marketing message to go out to the most relevant of consumer as well. The Keono Women Only file is updated on a daily basis, ensuring that only the freshest leads are transmitted.

Additionally, Keono's commitment to inbox delivery means we are getting your offer in front of the audience you want, as effectively as possible, and increasing the return on your marketing dollars.

Please contact us for counts and detailed pricing for your campaign that needs to reach Women Only.
